to get started, or ask your doctor for a printed version of the test.

**You** know your child better than anyone.

If you have concerns about your child's development, no matter how small, you are not alone. Whether you're worried about your child's language skills, ability to relate to others, or any other developmental concerns, your child is counting on you for help. The best way to help your child is to take action. Take the **PEDS** test!
